BARTON COVENANTER CHURCH. Only One of That Denomination in

Vermont Installs New Pastor.

Barnet, Nov. 20 .- In this place is what is known as the Covenanter church, the only one of that denom ination in Vermont, and here on Nov 18 was installed a new pastor, Rev. David Price Elsey of Winnipeg. The real name of the church is the Walter Harvey Reformed Presbyterian church and the minister was installed by the New York presbytery. Clergymen from out of the state, from Barnet and from McIndoes took part in the in stallation program, and in the evening the whole neighborhood gathered at the church to welcome the pastor, his wife and three daughters. No musical instrument is allowed in church worship, but for the social event a piano was brought in and used. A purse of \$60 was presented the new minister.

Located in a farming community, sparsely settled, the church is nevertheless paying a salary of \$1,400 and is contemplating raising the \$1,200 as-

signed this year for benevolence.

Mr. Elsey has bought a farm on the edge of Ryegate and the men of his church have promised to go into his woods with a saw outfit and cut up his winter's supply of wood.
